## HONOUR A SMALL CHURCH OR LEADER

---

**Who helped shape your faith?** The church where you were baptized? The minister who walked beside your family? The Sunday school teacher who made you feel seen? The choir director, caretaker or volunteer who quietly kept everything going?

Or perhaps it was a small church itself — a place that welcomed you, comforted you or helped shape the person you became.

**With a tax-deductible donation, you can honour a small church — or a clergy or lay leader — who has shaped your life. Their name will appear in an Honour Roll published in the issue.**

### Your gift:

- honours meaningful ministry
- celebrates small churches across Canada
- helps sustain coverage of faith communities
- ensures these stories are told

**Suggested donation: \$50+** Please double-check spelling when submitting names. If honouring a church, include its town/city and province/territory. If honouring a leader, include their title where appropriate. **Deadline: July 10**

**Donate online:** [broadview.org/small-churches](http://broadview.org/small-churches)
