Who helped shape your faith — or still does today?

A welcoming small church. A minister who walked/s beside your family. A Sunday school teacher who made or makes children feel seen. A choir director, volunteer or quiet leader who kept or keeps everything going.

This September/October, Broadview's special *Small Church* issue will honour the small churches and leaders who nurture/d faith and community across Canada.

With a tax-deductible donation, you can honour a special church or leader. Their name will appear in a special Honour Roll published in the issue.

Already being honoured: 🏡 St. Andrew's United Church, Mission, BC, Rev. Dr. John James, Lockeport Pastoral Charge, Lockeport NS...and more.

Add someone special to the growing list.

 Deadline: July 10

Small churches are quietly holding communities together across Canada.

But too often, small churches are talked about only in terms of decline.

*Broadview's* upcoming Small Church Issue tells a different story.

This special issue explores the resilience, creativity and impact of small churches across Canada — and asks an important question:

What if small churches are not failing... but helping shape the future of the church?

 Pre-order copies for your congregation, leadership team or small group.

 Or honour a small church or leader who changed your life through a tax-deductible donation and inclusion in our special Honour Roll.
